

Important Information

- ? There is no early registration discount or late registration fee this year – but there is a pre-registration FEE of \$25. This fee guarantees your campers' places at their week of camp.
- ? As always, campers may move DOWN a week of camp (e.g. a 5th grader may attend Middler Camp with the 3rd & 4th graders), but campers are not allowed to move UP a week (e.g. a 6th grader may not attend Junior High with the 7th-9th grades). "Grades" are determined by what grade the camper is entering this fall.
- ? Parents are welcome to send letters and/or packages to their children while at camp. Please make sure that they not only include the camper's name, but also the week of camp that the child is attending and preferably the church they are attending with. This will help us organize the mail better.
- ? Adults are allowed to bring their laptops with them to camp, but please know that you should use them appropriately and in moderation. You are here to set an example for the kids, and misusing or taking advantage of these privileges can do more harm than you realize.
- ? Adults are expected to be a help while they are at camp – this is not a vacation.
- ? Please try to have at least one Sunday or Wednesday lesson devoted to the theme verse for this year so that your youth are familiar with the verses. This also helps them get excited about camp.

PLEASE TAKE NOTE

PRE-REGISTRATION – Have you noticed the stress on this yet? Last year we pushed the limits on a few weeks. This year, in hopes of making sure that we have enough beds ready to be used at these weeks, we are requiring that campers pre-register at least ONE week before their week of camp. Pre-registration includes filling out a registration form and a \$25 non-refundable but transferable deposit. This deposit will be taken off of the camper's final bill. Campers who do not pre-register may be subject to sleeping on floors or even being turned away if we are too full. If you have any questions about this, please don't hesitate to call!

SPONSORS – Sponsors this year are required to pay a \$25 fee to attend camp (regardless of the week of camp). This is to cover the food cost for our adults at camp. Again, if you have questions or concerns about this, please give us a call.

SENIOR HIGH 1&2 – Because of the sizes of our Junior High and High School weeks of camp, we have decided to split Senior High into two weeks and bump all the 9th graders up into this week of camp. Please note to which week your church is assigned. We hope that by doing this, we will have enough room for all of our 7th-12th grade students.
